Award Winning Furniture
&
Rave Reviews...

★★★★★

"The versatility and quality of the CEF all in one unit has been received with open arms by one of our local school districts. Recent new build installation at a premier designed elementary school has led to the product being Included in three more new schools. Mobility is a key ingredient in our school designs and the unit exceeds expectations. Quality product that pays for itself with reduction of ancillary products such as trash cans and cubby storage. Building maintenance receives the product well also. Move it to clean! Thank You CEF Team . We look forward to placing more!" -

Jamie, CEF Dealer

"I wish all of our vendors had the same quality, integrity, and service as CEF has with every transaction!"

-CEF Dealer

"In all of my years of teaching I have never had one piece of furniture change the dynamic of my classroom like this table. I absolutely love it! I cannot imagine my classroom or my teaching without it now. Once again, thank you a million times over. And from my students this year, and for years to come…thank you!"

-Sharon Cooke, NC Teacher

"CEF's innovative products facilitated a one stop shopping experience with designs specific to each program and purpose. Cutting-edge product combined with remarkable customer support and competitive pricing helped make our district project a huge success!"

-Joy with Seminole County Public Schools

"I'm in love with our ED Tables. We were able to get stools to match our room perfectly. Inspire Academy uses the lab tables for all our students from the youngest to high school. I love working with CEF and look forward to my next opportunity"

-Dana with Inspire Academy

"First, let me say thank you so much! These tables are perfect for my classroom, which is an SREB Advanced Career, Aerospace Engineering Course. Your tables truly are the ultimate workstation!"

-Raphael with Harrison County Academy of Aviation Technology
